WILLOUGHBY FLOOD DEFENCES

**Colin Hinchcliffe of
Lindsey Marsh Drainage Board**
will give a presentation on the new
flood defence.

Following this there will be an opportunity for parishioners to put forward ideas/improvements needed within the Parish Council area. All suggestions will be placed on future Council agendas for discussion.

This is a new format for the Annual Meeting and we hope you will join us for a Social Evening. It will also be a chance to thank the Drainage Board for their work. The works were not their responsibility, but they have carried it out, given funding - and most important - agreed to maintain it for the future.

RECTORS THOUGHTS

Why does Easter move it's date? It would be much simpler if it was stationary like Christmas. School terms for one could be calculated easier to name but one.

Christ's death and resurrection took place during Passover and the Feast of Unleavened Bread, the sacred commemoration of Israel's deliverance from slavery in Egypt. Passover always falls on the evening of the 14th day of the Hebrew month of Nisan. The Feast of Unleavened Bread follows immediately on 15th Nisan and lasts seven days.

The ancient Hebrew calendar is based on twelve lunar months, which is a total of approximately 354 days — 11 days short of the full cycle of the seasons. Passover must fall in the spring because that is the time of year that lambs are mature enough to slaughter for the feast. To keep the month of Nisan in the spring, a 13th month is added to the Hebrew calendar every three years or so. The result is that Passover always begins in the March/April time frame but on a different day each year. Since the date of Passover is moveable, the date of Easter, is based on Passover, is also moveable.

Setting the calculation for the date of Easter in the early church was not settled until the Council of Nicaea, an official gathering of hundreds of theologians and bishops that took place in the year 325. The council established the rule that Easter is to be celebrated on the Sunday following the first full moon after the spring equinox. Before that there had been local variations. This did not stop disputes before it was generally accepted.

Disparity continues to exist today. Churches of the East (Greek, Russian, Ukrainian Orthodox, etc.) base the date of Easter on the vernal equinox of the Julian calendar of the Roman Empire. Churches of the West (Roman Catholic, Episcopalian, Lutheran, and Anglican) follow the Gregorian calendar.

The result is that Eastern rite Christians typically celebrate Easter anywhere from a week to more than a month after Western rite Christians. In 2008 for example, churches of the Western rite celebrated Easter on March 23; Eastern Orthodox churches celebrated it on April 27. Sometimes it happens that the two dates coincide as they did in 2007.

In 1997, a special conference of the World Council of Churches and the Middle East Council of Churches urged that all traditions abandon previous methods of computing the date of Easter in favour of modern and scientifically precise calculations to result in a unified date for Easter but nothing has come of it.

Easter next year will be - in the west that is - 4th April 2010.

VILLAGE HALL NEWS

Anyone who uses the hall for meetings will be glad to note that it has a new clock - this one will tell the correct time more than twice a day. We have also been given a clock for the kitchen - to be put up soon.

The bar area is to be re-furbished - it looks somewhat dated and scruffy now that the hall has been repainted. We intend to replace the counters and the brown fronts with something nicer, using some money from the grant we were given by Councillor Eyre.

LITTLE PLEA HERE: Is there anyone who be willing to polish the wooden floor in the hall once a year??? We have an electric buffer and the polish. We just need the elbow power - and mine are `shot` from years of shovelling. Phone me if you are daft enough to offer. Pat 466018

All Plant Lovers : please put a note in your diaries for Saturday 23rd May. This will be the Garden Club Plant Sale. Surplus plants grown by members for sale at well below Garden Centre prices. More details in the May edition of Wold & Marsh

WILLOUGHBY PLAYING FIELD ASSOCIATION

Would like to remind people that **dogs are not allowed on the playing field.** The man who walks his dog on the field and allows it to foul the area has been noted and will be reported if it continues. A green frontage near the school has also been used as a dog loo - a childs shoes had to thrown away as they were not washable.

>>>>>> ON TWO WHEELS

To all those steadfast followers of `On Two Wheels`, Peter will hopefully be riding a brand new Yamaha in the British Superbike rounds this year. I say hopefully, with only 4 and a half weeks to go to our first race at Brands Hatch, we are still waiting for the bike to arrive (slow boat from China/Japan). Peter will be riding in the privateer superbike cup. This race runs alongside the factory run superbikes races. He will continue to ride for Ultimate racing with support from local friends and sponsors as he did last year. Race report will follow in next months Wold & Marsh.

PS: Finally - bike arrived - phew!!!

WILDLIFE.....

The fish at the west end of the village are suffering. A heron flies low over our garden most mornings to check out a neighbours pond. My fierce cats are horrified by this prehistoric monster and cower. The same pond has also had a kingfisher to visit. Now we have otters as well - beautiful creatures, but they do like a tasty snack of a fish or ten. So it is a rough life being a fish at the west end of Willoughby at the moment. Pat

MUMBY ANNUAL PARISH MEETING

APRIL 28TH BECKETS 7.15PM

This is a meeting of the electorate, not the Parish Council, and you are all invited to attend and join in debate.

Although chaired by a member of Mumby Parish Council, council business will not be conducted. Councillors who attend the meeting will be regarded as 'members of the public'.

In previous years the annual meeting of the parish has been held at the conclusion of the AGM of the council. This year the council have agreed on a new format in the hope of attracting some people along to discuss parish matters in a more relaxed, informal atmosphere.

ANNUAL GENERAL MEETING
BECKETS 7.15PM. All welcome**

LOCAL CRIME - HAVE YOUR SAY

A meeting to discuss the controversial subject of crime and sentencing will be held in

BECKETS on TUESDAY JUNE 9th at 7PM.

Free of charge - so come along and enjoy an interactive presentation by a magistrate and a probation officer on the sensitive subject of local crime and sentencing. There will be plenty of scope for those present to ask questions, air personal views and debate the issues and opinions.

Local Crime, Community Sentencing, is an exciting new initiative, organised by the national Probation Service, Lincolnshire. Its aim is to make you better understand how probation officers assess risk and how magistrates' courts reach sentencing decisions.

You don't have to sit there and take it all in - join in the discussion; if you don't agree say so; and lets get lots of points of view. Event should last approx. hour and a half, depending on the level of debate. Time should surely fly.

Free tea/coffee and biscuits to round off the evening.

CUMBERWORTH NEWS

Cumberworth Parish Annual General Meeting

As announced in last month's Wold and Marsh, the Parish Annual General Meeting will be held on **Tuesday 21st April 2009 at Becket's in Mumby commencing at 7.00p.m.** All residents of Cumberworth are invited to attend; we shall be delighted to see some new faces as well as the stalwarts who regularly support these meetings. If you have any views etc, we shall be happy to hear them!

Mumby Church Quiz Night

Ten villagers from Cumberworth supported our Rector's last Church Quiz Night of the current season. It was held on Friday 13th March at the Red Lion in Mumby. Those who went had a lively evening and thoroughly enjoyed themselves. The new season of quizzes will start again in the autumn, the first will be on **Friday 9th October at 8.30 p.m. in the Red Lion.** It is hoped that Cumberworth residents will continue to support this event.

Cumberworth Parish Rents

It is almost the end of the Financial Year and the Annual Return is being prepared. All rents due to the Parish for the year 2008/9 should have been paid by then to enable this to be completed. If any rents remain outstanding, would you please pay them to Sally-Ann Dowley at Trevelyan Cottage, tel 490234. Thank you very much

Polite Request

Our joint chairman, Christine Clark would like to request that people walking their dogs in the village refrain from allowing their pets to foul resident's driveways and verges. Thank you.
